

Kyle Nondorf

Ronald McDonald House Charities of Madison Board of Directors

Kyle Nondorf is President of SSM Health St. Mary's Hospital—Madison in Madison, Wisconsin, having served in this role since December 2019.

Prior to his transition to Wisconsin, Kyle served as the Executive Vice President/Chief Operating Officer for SSM Health St. Anthony Hospital in Oklahoma City. Kyle has been with SSM Health and St. Anthony Hospital since 2004.

During his tenure, Kyle has been responsible for strategy and implementation of key initiatives across multiple markets achieving significant growth and revenue goals in a highly competitive healthcare environment. Key to his success is his skill at building stakeholder relationships with internal and external stakeholders, including community and civic leaders, physicians, and employees. These skills have led him to be successful in many significant projects for SSM Health including the development of Oklahoma's first freestanding ERs along with convenient ambulatory and physician services, known as SSM Health St. Anthony Healthplex campuses. He was also instrumental in building the robust affiliate and rural hospital management network.

Raised in Oklahoma City, Oklahoma, Nondorf attended the University of Oklahoma where he received his Bachelor of Science in Health and Sport Sciences. He then went on to receive his Master of Health Administration and Policy from the University of Oklahoma Health Sciences Center. He was named as an American College of Healthcare Executives' Regent Award Winner for Early Healthcare Executives.

Additionally, he is a graduate of Leadership Oklahoma City Class 29 and he was listed as a 40 under 40 by OKC Biz.
