- Kelly Schneider

How do I stay?

The Ronald McDonald Family Room is available for families who have a child in the NICU or pediatric unit at SSM Health St. Mary's Hospital in Madison. Families should notify a Family Room volunteer, nurse or hospital social worker if they'd like to stay overnight. Your name will be added to the daily room request list. Because there are a limited number of sleep rooms, these rooms are available to families on a one-night-at-a-time basis. Please sign up by 2 pm each day. If you are assigned a room, you will be given information on the check-in and check-out time. The capacity of our sleep rooms is limited to two adults per room.
